

HUNGRY CATERpillARS

*Free supported
playgroup by
IPC Health*

Parents, carers and kids can come together for songs, stories, craft and indoor/outdoor play to make new friends and get ready for kinder or school.

We also provide parent and carer support and link you to other services if needed.

Join us if you live in Wyndham and have worries about your child; money issues or trouble coping; you feel isolated; want some extra support or need an interpreter to help you join in.

We are unable to offer places to children who are ECEI/NDIS eligible.

The group is run by Family Services, Speech Pathology, Occupational Therapy and Psychology staff from IPC Health.

Please let us know when booking if you'd like an interpreter. Interpreters are free.

We are keeping to current COVIDSafe guidelines and requirements.
